IMPORTANT NOTES:

These are township fees only and do not include charges that shall occur when engaging a private funeral service provider or vault company. Hence, fees listed here do not include any private company charges. These are costs usually quoted by your funeral service provider. All township-related costs of burials and dis-interments including but not limited to burial rights, burials, additional unforeseen sexton fees ** and foundations, shall be the responsibility of the party requesting same. No activity in the cemetery grounds shall take place until payment deemed sufficient to cover all costs shall be posted with the CLT prior to burial or disinterment, or upon a set/signed arrangement with the prior approval of designated township official, and funeral director or sexton.

~

(*) Any full burial which uses a vault that measures a minimum of 24 x 67.

(**) There may be additional CLT charges from unforeseen problems with burials, such as the necessity to move plantings or a headstone in order that burial may proceed. Under certain such circumstances, fees will be higher, depending on services rendered. These charges may be billed in addition to the fees listed above, after burial, but will be billed only with reasonable compensation rates for the labor involved. Disputed costs shall be adjudicated by the Cemetery Committee and/or the CLT Board.
