RE: 2015 approved project list

The Local Road Committee (LRC) held a meeting this week at the Road Commission office in Honor. The purpose of this meeting was to complete the selection process for the proposed 2015 local road project list. The meeting had very good attendance with eight of the twelve townships being represented. This meeting moved well with positive discussions and recommendations addressing a variety of facets to consider during this selection process. The LRC adjourned this meeting with an approved list of proposed 2015 local road projects.

The proposed 2015 local road projects as approved are:

| Road Name         | Limits                             | Proposed work                  | Millage Funds | Township Funds | Estimated Cost |

| *Unallocated      |                                    | Culvert/ structure replacement | \$ 12,600     | 0              | \$ 12,600      |
|                   |                                    |                                | \$433,600     | \$ 45,300      | \$478,900      |

The projects listed above will have bid packages prepared and advertised. If after bids are received, there is projected bid savings, the following additional project will be considered.

|             |                   |           |          |          |           |
|-------------|-------------------|-----------|----------|----------|-----------|
| Runway Road | Airport Rd to End | Chip seal | \$ 8,900 | \$ 8,900 | \$ 17,800 |
|-------------|-------------------|-----------|----------|----------|-----------|

It is anticipated these projects will be advertised for bid in March 2015. The LRC will schedule their next meeting in April 2015 to discuss any potential bid savings and begin preliminary discussion for 2016 projects.
