Hi All -

I want to let you know that for personal reasons, I have resigned from the Benzie County Board of Commissioners effective yesterday. I therefore will no longer be representing District #3 at the Crystal Lake Township meetings.

The BOC has 30 days to appoint a replacement. The job opening will be posted on the website, and printed in the BCRP in the next 2 editions (not today).

Thank you for your work for Crystal Lake Township, and your patience with me through my Commissioner Reports. Best wishes for a healthy and productive 2021!

Linda Farrell
