to me, township

At this time, I do not have anything to add to the newsletter. We have not received our ARP funds and I will not be organizing the clean-up event(s). I do intend to have an informational letter on the back of the tax bill regarding the PTAF. BTW, I have informed the FCCAA that I will not be organizing the clean-up event(s). They reserve the right to revoke the township's privileges of using the Dow Airport parking lot and should be asked in advance as to not conflict with any airport events.
