

VOLUNTEER

at

Crystal Lake Township

We are currently scouting for qualified volunteers* on the following:

Board of Review

(deals with tax assessment complaints)

Compensation Review & Personnel Committee

(salaries, hiring, contracts, operating policy)

Elections

Fence Viewer

Budget & Finance Committee

Watershed Committee

Zoning Board of Appeals

(2nd alternate)

**Training may be required; some cases compensation is provided*

ALSO NOTE: If positions on these or other positions/committees/commissions are already filled, but we would like to know of your possible interest regardless. For those areas of service already filled, we would keep your name on file as a possible appointee should an opening appear. For all others, we have vacancies and encourage you to make your contribution to your local government. Note that your willingness to serve doesn't necessarily guarantee your appointment, but all applications will be considered. Questions about the amount of knowledge, time and/or energy needed to making a commitment?
