

# What kind of fireworks can I buy in Michigan?

## Can anyone buy them?

Anyone age 18 or older can buy fireworks in the state.

If you meet that requirement, you have [lots of choices](#) among consumer fireworks, novelty items and low-impact fireworks. Consumer fireworks include Roman candles, bottle rockets, missile-type rockets, aerals, reloadable shell devices, firecrackers, helicopters/aerial spinners and single tube devices. For novelty items, check out sparklers, snaps, poppers and snakes. Low impact fireworks include ground-based or handheld sparklers, sparkling wheel devices, ground sparkling devices and smoke devices.

Publicly-displayed fireworks shows organized by professionals, the type of shows many communities offer around Independence Day, are also legal.
